APPROVAL PROCESS

Once we have received all applications and completed the initial group twinning, groups will be contacted. The following factors will be taken into account during the twinning process: compatibility of groups based on the demographics provided educational objectives participation history equitable national distribution budget that supports planned activities We do our best to match groups but please be aware that it is not always possible to match genders and/or travel dates exactly.

TRAVELING PREFERENCES

You have the option of traveling and hosting during the times listed below: Please rank your preference. This will be used as one of the matching criteria, but it is not guaranteed that your first choice will be possible. The length of the exchange may be shortened to 7 days if both parties are in agreement. Please respect the fact that farming commitments may dictate the length of time a group can commit to being away or hosting. Once you have been twinned, you will work with your twin to determine host/travel dates.

If not applying for a bilingual exchange, how will you work awareness of both of Canada's official languages into your exchange?

EXCHANGE DESCRIPTION & PREPARATION

This section aims at collecting your preliminary ideas, knowing that your plans might change when you begin to plan the exchange with your twin group.

PREPARATION

If awarded an exchange, Part 1 of the Group Project would be due April 6, 2020

Please click on Club to Club Exchanges Group Project Guidelines to download the Group Project Guide. If awarded an exchange, you will connect with your twin group to determine a suitable topic.

PRE-EXCHANGE

Will your exchange promote youth engagement? *

We encourage this to be a youth directed program and suggest that your members be actively involved in the planning and decision-making process, identifying and leading events and activities and being encouraged to take initiative and share their ideas and experiences.

- Yes
- No

Please explain how:

What will the educational focus of your exchange project be (cultural enrichment, geography, sciences, leadership, history, second language learning, etc.)? *

Please describe some pre-exchange activities that are currently taking place or that have taken place in order to prepare participants for the exchange (i.e. research on your community, activity planning, fundraising activities, etc.)*

What activities, project, or plan will you implement to increase and foster positive youth development?*

We recommend the promotion of local attractions within a 2hr radius *The focus of the exchange should not be tourism* We recommend having conversations with your twin once you are paired to help guide the planning of activities as the topic of their research project should be worked into your plans

What type of communication is your group planning to use with your twin (videos, telephone, e-mails, Facebook, etc.) prior to the exchange? *

Please describe the fundraisers you plan on running in order to raise funds for this exchange. *

There is no minimum amount expected to be fundraised and the amount raised will vary from province to province. This is not about tourism but rather an opportunity to discover the history, culture and environment found in another part of Canada.

Please describe how you will engage and communicate with the parents of your members during the planning and execution of the exchange. *

DURING THE EXCHANGE

4-H Objectives of Club to Club Exchanges are: Contribute to improved knowledge and understanding of Canada among Canadian youth, enabling them to learn first-hand about the history, geography, the economy, institutions, cultures, communities, languages and other facets of their country. Help young Canadians connect to one another and create linkages throughout the country and among groups, thereby helping to strengthen the fabric of Canadian society. Foster appreciation of both the diversity and the shared aspects of the Canadian experience. To strengthen youth participation in the community, promote diversity and equality of opportunity, and help youth achieve their potential

Please provide a suggested program of hosting activities. These activities should meet the objectives listed above. *

Breakdown of allotted time when planning activities: 50% Activities (visits to historic, cultural, economic, or government sites, time with host families, community, or 4-H events) 20% Time with the host family (experience life in their new community with their host family) 20% Community (Community Service Project, participate in regular community and 4-H activities, involve community leaders and politicians) 10% Free time and reflection (the amount of time will depend on the maturity of both groups and on your community) We recommend a Family Day early in the exchange Final activity list will be due June 8, 2020

- Yes
- No

Will there be any media involvement / opportunity during your exchange? If so, please describe when and where. *

How will you promote the Government of Canada's support of the exchange? *

A template for t-shirts is available that includes the 4-H Canada and Government of Canada logos.

POST EXCHANGE

For reporting purposes, Canadian Heritage requires an online questionnaire to be completed within 1 week of your exchange ending. 4-H Canada requires that each participant, chaperone and host family complete an online survey by September 14, 2020. Articles, media clips and photos can be uploaded onto <https://exchange.4-h-canada.ca/> after the exchange is over. Your group will also be required to complete a Final Report detailing the experiences of your exchange. All reporting is due to 4-H Canada by September 14, 2020.

Please explain how you are going to guarantee that every member of your group completes both of the surveys? *

Please describe the activities you are planning after the exchange to prolong the experience and to share it with your community and 4-H in your province (e.g. prepare scrapbooks and photo albums, presentation to the school, inform the community about the exchange - presentations, media coverage letter, etc.)? *

Please describe the activities you are planning after the exchange to maintain a connection between the twinned exchange participants (e.g. encourage participants to keep in touch by e-mail, social media, annual group Skype chat, etc.) *
