

2018 4-H Canada Leadership Excellence Awards of Distinction (L.E.A.D.) Mentor

Erin Thorp

Professional engineer, certified coach and published author

Science & Technology

Erin is a professional engineer, certified coach and published author. An alumni member of the Pembina West 4-H Beef Club in northern Alberta, Erin is not one to back down from a challenge. Erin is passionate about STEM and is making waves in her chosen career profession of construction. Based on her own experience and training, Erin is passionate about teaching, mentoring and coaching others to embrace their emotions, connect with empathy and deeply engage the people they lead. She believes that the very foundation of building inclusive, diverse teams is to recognize, celebrate, and leverage our differences.
